*Please check with individual areas, as information may have changed. Each listed area is linked to its site. In compiling this list, SeniorsSkiing.com used the following criteria: 1) Day and/or season passes are free at a given age. 2) Some free passes (day and/or season) may require a minor processing fee and/or advance contact with the resort. 3) Some listed resorts offer deep discounts at a given age that provide virtually free skiing privileges (i.e. season passes for \$125 or less/day passes for \$25 or less). Note that these areas and others not included on this list may offer additional discounts and other special deals for seniors.

Free tickets may require presentation of photo ID.
